## **My Philosophy of Housekeeping!**

I don't do windows because ...I love birds and don't want one to run into a clean window and get hurt.

I don't wax floors because ...I am terrified a guest will slip and get hurt then I'll feel terrible( plus they may sue me.)

I don't mind the dust bunnies because ...They are very good company, I have named most of them, and they agree with everything I say.

I don't disturb cobwebs because ...I want every creature to have a home of their own.

I don't Spring Clean because ...I love all the seasons and don't want the others to get jealous.

I don't pull weeds in the garden because... I don't want to get in God's way. He is an excellent designer!

I don't put things away because ... My husband will never be able to find them again.
