**We put on a good face!**

The flowers around town this year have been grand. A big  
thank-you to all those who turned out to plant the boulevards last  
May, and also a thank you to the LUD people for watering and  
generally keeping up appearances. A big raspberry to some very  
immature youths who thought it would be smart to make off with  
the flags, and destroy baskets. NOT smart, guys.  
We take this opportunity to give kudos to all the residents who  
take such well-deserved pride in the plantings around their homes.  
Many Lorette merchants also have great plantings that show a  
local pride. Hope you tell them how nice they look. This is a  
very neat town to live in and it's nice to hear outsiders proclaim  
this as "a very pretty town".
