**Last Chance - Katimavik  
Billet Opportunity**

The new Katimavik group arrived in Lorette on March 2<sup>nd</sup>, 2005. They are living together in Lorette for their third trimester and will be heading home on June 1<sup>st</sup>. This group includes three young men and five young women. They are working five days a week at local organizations including Déjà vu thrift store, École Lagimodière, Dawson Trail School, École Lorette Immersion, College Lorette Collegiate, and Lorette Community Complex.

The billeting component of the program affords you an opportunity to contribute significantly to the Katimavik experience of these young Canadians. This is your last chance to billet a Katimavik participant because this is the last Katimavik group that will be in Lorette. The young people will be with you from April 15th to April 29<sup>th</sup>.

**If you would like to be a Katimavik billet host, please

**Lorette Communiqué**

The volunteers who put Communiqué together have decided to change the dates for publishing from every second week to the first and third Thursday of each month.

We would also like to take this opportunity to thank the LUD of Lorette, the folks who submit notices, the volunteers who prepare articles and the merchants who make space on their counters for distribution.
