Autumn is on the way.

Have you got all your acorns gathered and organized? Is your family going squirrely running here and there to various activities? Remember that our extra activities are the **fun things in life**. Communiqué lets you know what's going on in town. Please remember to e-mail us or call us with your special interest events or let us know how local residents of Lorette are excelling.

Communiqué is looking for volunteers to help with reporting, collecting information, and the copy and distribution of the newsletter. It is a fun way to be in the know! Phone or email us at the numbers at the top of this page. We look forward to you joining us!

Sports and Activities

Registration took place at the Community Complex last week for a wide variety of activities and sports. If you missed registering, check your Community Complex Leisure Guide for a contact number or visit www.lorettecomplex.com. There may still be space available. Don't miss out on a fun filled winter for your children and yourselves.

Calling all Dogs

Please remind your owners that there was a dog bylaw passed in August 2000 to protect residents and property from uncontrolled dogs.

Be sure that your owner uses a leash, no more than 6 feet long, when you go for a walk together. He or she is also responsible to pick up all 'residue' that you may leave behind.

Please also tell your owner that you are not to be allowed to bark excessively as this will really make you very unpopular with your neighbours.

There are penalties, charges and you can even be impounded so make sure your owner doesn't get into trouble.
