Ringette Provincial Championships hosted by Lorette Ringette Club. Over 20 teams from across the province will converge at the Lorette Arena. **March 17-19, 2006**. There will be some games in Landmark and Iles des Chenes. Come out and cheer your local girls. Let’s show the rest of the province what a vibrant sports community we have in the Taché area.

I own the erasers for all the miniature golf pencils

Ringette, Ringette, Ringette

Things you didn’t know about Ice Ringette.

1. Ringette was invented right here in Canada by Sam Jacks; a World War II veteran who later became Director of Parks and Recreation.
2. He developed Ringette in North Bay, Ontario around 1963.
3. In the early years all games and practices were outside even at 30 below while the men played hockey indoors, and they call themselves though guys.
4. Ringette players don’t make a million bucks; they truly play for the love of the game.
5. The players don’t dump and chase. They put together a series of tactics to create an offensive strategy that is fast, thrilling and worth watching.
6. Ringette is a team sport. You must pass the ring over any blue line in any direction. “No hotdogging here”.
7. Ringette is now an international sport played in many countries worldwide.
8. Did you know Lorette player Dominique Carriere won a gold and silver at the World Championship as a player of Team Canada?

TRIVIA: How many daughters did Sam Jacks, inventor of Ringette, have?

ANSWER: None, He had 3 sons.
