FAMILY

Are you aware that if we died tomorrow, the company that we are working for could easily replace us in a matter of days?

But the family we left behind will feel the loss for the rest of their lives. And come to think of it, we pour ourselves more into work than into our own family, an unwise investment indeed, don't you think?

How's your diet going? The only thing getting slimmer is my chance of sticking to it

Spring Has Sprung

The snow is nearly gone and the tulips are up. Time to think of summer things. The Lorette Beautification Committee is evaluating the idea of entering Lorette in the Communities in Bloom for 2007. Now is the time to start thinking of tidy gardens, shrubs, flowers and everything that will make our town an attractive place to live. We challenge you to take a survey of your house and yard, decide how to spruce it up and get going this summer. www.communitiesinbloom.ca

The Tache Youth Centre is a former Umbrella Group of CCLCC, and has recently been reestablished. The goal is to provide a community youth drop-in centre at CCLCC within a safe and supervised environment, starting on a part-time basis. Eventually, services and resources are to be provided for youth year-round.

We are currently looking for a volunteer Treasurer to join the Board of Directors. For further information.

Contact: **Karolyn Bradley at 878-2699**

In addition, if you have suggestions concerning the youth drop-in centre, we would be happy to hear from you.
