Lorette Winter Carnival
Feb 22 - 25th**

After helping his son with his homework, a man said to his wife: "I wish we still had his kind of problems - the kind where you can find the answers in the back of the book."

To sanitize counter tops, cutting boards and utensils use a mild bleach solution (1 tsp. bleach per 3 cups of water)

The good thing about being young is that you aren't experienced enough to know that you can't possibly do the things you are doing.

R.M. of TACHÉ - PUBLIC INFORMATION NOTICE:

Once again spring thaw and the possibility of overland flooding fast approaches us. Every effort will be made to assist the community in dealing with this event.

Effective March 15th 2007 there will be sand and sand bags available for pick up at both the Lorette and Landmark Public Works/Fire Hall locations.

For all other sand and sand bag enquiries contact the Municipal Office between 8:30 am – 5:00 pm Monday to Friday. After hours and on weekends there will be a voice text message.

For additional sand or bags to be dropped off at specified locations within your ward contact your council member.
